

## CKC-AAA 2012 Texas Convention

### *“Leveraging Our Leadership Niche”*

“We the members of Christ the King College Onitsha, Alumni Association in America (CKC-AAA), gathered at our 16th Annual Convention in Dallas, TX on **20-22 July 2012**, have chosen *“Leveraging Our Leadership Niche”* as our convention theme. With our Alma mater now in its seventy-ninth year, we take pride in the numerous alumni of the college placed in eminent and lofty leadership positions in Nigeria and in the Diaspora. We remain convinced that with the collective wherewithal of such personalities, CKC Onitsha alumni everywhere are capable of offering inspiring, purposeful and exemplary leadership and service in all facets of private and public service, just as we have been instrumental in influencing the alumni of several legacy colleges to give back to their Alma Maters. Whilst our orientation rests on three core pillars: *goodness, discipline and knowledge*, we consider ourselves duty bound to bring added value to every task by underlining the imperative of excellence, honesty, vision, assertiveness, creativity, magnanimity, fairness, dedication, exemplary character, enthusiasm, humility and collegiality in our undertakings. Thus, we recommit to *“Leveraging Our Leadership Niche”* by always applying these values in our service to our Alma Mater and humanity.
