

FROM THE PRESIDENCY

Fidelis Atuegbu

On behalf of the Executives and members of Christ the King College Alumni Association in America (CKC AAA), I welcome you to our 19th annual convention. We give Glory to Almighty God for making it possible for us to gather this day, in Oakland California.

Our convention Theme this year is “Upholding our Legacy of Goodness (Bonitas)”. Goodness, as my fellow old boys already know is one leg of the tripod and the underpinning ethos of our humble beginning. When combined with the other two pieces, discipline and knowledge, it forms the motto of our beloved alma mater as follows Bonitas Disciplina Scientias (Goodness Disciplined and Knowledge).

Being mindful of the tenet of our motto and what they stand for, we the Executives and Members of CKC AAA choose theme of the convention this year for the following reasons:

- Remind us of our upbringing
- A clarion call to live up to the ideals of our esteemed institution
- And through our actions and deeds showcase the essence of our upbringing

As far as “Goodness” is concerned, we in CKC AAA, with the help of our friends and families have come a long way. Over the last 18 years, we have organized our annual conventions to raise funds for various needs of the college. On each occasion we have met the goals we set ab initio and we thank all those who have made this possible. We could not have done it without you. The list of these constructure, infrastructure upgrades are detailed in the subsequents pages.

Our current focus is in the mordernization of the kitchen at CKC Onitsha. CKC AAA started this project a couple of years back. As you can see from the picture on the front cover of this Gazette, the structure is now almost complete. Our focus now is to provide the colege with gas burning ovens and other necessary uticils that will make life better for the cooks and by estention the students.

With your help, we hope to complete this work this year. So please donate geniously to this cause. We owe this to the next generation of students and to posterity. We need to bequette to them a condusive environment that is not only contemporary but also worthy of our esteemed college.

May the Fame of our College last forever. [TAG]
