

CKC-AAA 2015 Oakland, CA
Convention

“Upholding Our Legacy of Goodness (Bonitas)”

“We the members of Christ the King College Onitsha, Alumni Association in America (CKC-AAA), gathered at our 19th Annual Convention in Oakland, CA on 24-26 July 2015, have chosen ***“Upholding Our Legacy of Goodness”*** as our convention theme. Many years have passed since we commenced our march in November 1997 to return our Alma Mater to its glorious past. We have not reached that nostalgic Promised Land, which we hold dear, but we are witnesses to remarkable positive results and reversal of the blight of recent past. As in the past, our college, Christ the King College Onitsha is incrementally regaining its luster, place and niche as first among equals; an affirmation that comes mainly from outside observers. We remain mindful, therefore, of the imperative of ***upholding our Legacy of Goodness***. We therefore reaffirm our commitment to that end, and look forward to passing the baton, to the younger generation of Amaka Boys. May the fame of our college last forever.”
